

Maintenance of Certification & Professional Development Points

What is my status as a coach?

To determine your coaching status, create a profile on the Canadian Association of Coaches (CAC) web page know as “The Locker”

<https://thelocker.coach.ca/account/login?ReturnUrl=%2f>

This is your “official” coaching transcript for coach levels and tracking Professional Development points.

Who does “Maintenance of Certification” apply to?

- All Competitive Introduction **CERTIFIED** coaches must maintain their certification status.
- Coaches cannot compile Professional Development points before they are **CERTIFIED**

Why do I need to Maintain my Certification?

Maintenance of certification, is viewed as essential to athlete performance and the integrity of the NCCP.

When do the requirements for Maintenance of Certification start?

- Once you attain CERTIFIED status
- Officially started for all sports on January 1, 2014. However, any PD points earned in 2013 will be counted towards the maintenance of your certification even though the maintenance requirements for your certification only came into effect on January 1, 2014.

How do I know how many Professional Development points I need to maintain my certification?

- 5 YRS 20 PTS (Competitive Introduction)
- 5 YRS 30 PTS(Competitive Development)

How can I accumulate PD points?

There are many ways to accumulate points.

Events that are organized by the Canadian Association of Coaches, your National Sport Organization or Provincial Sport Organization, or Provincial Coaching Representative will advertise the number of PD points associated with the event.

Point System:

NCCP training or evaluation events are worth 5 points;

Non-NCCP events are worth 1 point for each hour they last, up to a maximum of 3 points;

“Active coaching” will give you 1 point per year;

Through “Self-directed learning” you can earn a maximum of 3 points per five-year PD cycle.

❖ Please note that you cannot carry forward any points into the next cycle

What if I am certified in two sports?

- If you are certified in two sports, accumulated points will apply to both sports. The number of points required to maintain certification will be determined by whichever sport requires the highest number of PD points.
- If you are coaching, two teams in one season, for a single sport, the coach will not receive duplicate points for each team

What happens to my NCCP Certification if I do not complete the required PD in the time allowed?

Your transcript would show that your “Certified” status has not been renewed. Your sport determines what a coach must do to reinstate their “Certified” status.

Sport-specific Training

- Clinics ran by the Alberta Lacrosse Association that qualify for PD points
- Example – NLL Coach Mentorship Clinics

Contact coach@albertalacrosse.com for further information
